How beau - ti - ful you are, my dar - ling my bride,
 how beau - ti - ful you are, the doves of your eyes,
 and your lips of scar - let rib - bon and your
 lips of scar - let rib - bon. You have sto - len my heart my
 sis - ter, my bride. You have sto - len my heart with one glance from your
 eyes, and one je - wel from your neck - lace, and one
 je - wel from your neck - lace. How de - light - ful is your love,

my sis-ter, my bride, how de-light-ful is your love, more

40 g# A E E f# E E

pleas-ing than wine, and the fra-grance of your per-fume.

45 f# E f# g# E

Your lips drop sweet-ness and milk and ho-ney are
